SHOP OWNERS BEWARE!

Please note that fabrics and notions can be changed. We carefully select fabrics and always stay in the same style and quality, but the printed fabrics and colors may be different from one order to the other! Pictures on patterns and kits are not contractual.

Hortense is a decorative doll and is not suitable for small children. She is about 19" high.

In the Tiny Felt People Family, we use National Nonvowen, Inc. Woolfelt. Colors are clearly indicated on the back cover of each pattern.
